I agree with the suggestions of M Gordon re page11 [Fairfield-Cabramatta-Liverpool-Granville] That cabramatta regains Canley Vale and Canley Heights back within the Electorate of Cabramatta, and Liverpool gains Mt Pritchard and Parts of Bonnyrigg and Bonnyrigg Heights.

I wish to inform you that the NSW Department of Planning has a PPR Exhibition of Bonnyrigg Concept Plan MP06_0046 Mod 5 to increase the number of dwellings in the Bonnyrigg Housing Estate by 500 to a total of 3000 this will increase the population in that area, its Public-Private residents to approx 10,000 persons by 2025 and it is in Cabramatta Electorate.

I also agree that Canterbury be ABOLISHED.
