Hi,  
I am a resident of Elara estate in Marsden Park and saw the suggestions on electoral district boundaries. It seems suggestion is to merge Marsden Park into Mt. Druitt.  
It is not a popular suggestion and does not have community support. We have a Facebook page for our community and you can see how unpopular this suggestion is. It seems community opinion has not been considered on these proposals.  
May i please ask for this suggestions to be rejected?  
Thanks,
