Other information relating to my experience, ability and aptitude to hold civic office:

(may include statements of beliefs and policies - all information must be restricted to the space provided below).

I have the experience of serving on 2 councils, with 8 years on the Nambucca Council and one term on the City of Greater Bendigo Council: with 2 years as mayor.

Having been a full-time mayor in a large council with a big budget and with such scale has given me great experience. If elected as mayor I will be able to hit the ground running from day one.

My employment in teaching, lecturing, public service, community service and self-employment has given me tools and skills in leadership and administration.

I believe we need leadership that acts proactively, listens to the residents and acts in their favour.

We must protect and preserve our valley; we are all in this together. I ask for your support and vote.
