Other information relating to my experience, ability and aptitude to hold civic office:

(may include statements of beliefs and policies - all information must be restricted to the space provided below).

Professionally, I have solid experiences in global corporate business management in industry research, financial market information services, lending and retail, and being academically qualified in graduate and post graduate studies in business, applied finance, e-commerce, marketing management and economic to be trained as a sound analytic and strategic thinker in problem solving and management. Recent years of managing my own businesses allows me to explore and learn the ever-changing environment of entrepreneurship internally and externally that I am equipped with the ability to adapt, implement, develop, grow and manage risk strategically.

I am diversified and dynamic, have multi-cultural background of living, studying and working across six different countries, fluent in speaking and written Japanese, Korean, Mandarin and English that I am a representative, role model and benefited from the diverse and multicultural community and businesses of the City of Willoughby where is the place that I first landed and settled in the year of 2000 in NSW.

The recent years of rapid growth and development of the City of Willoughby that I am humble and yet possess great sense, passion and obligation about the journey of progression in development in terms of not only from the business perspective but from the people and environment of the community's well-being, quality of living, education, health, safety and potential opportunities to be a truly diversified, friendly, creative, sustainable, international and harmonised community that I care the elderly, youth, young families as well as professionals and trades in our community.

I believe I have the skills, knowhow, ability and attitude to be an asset and contributor elected in the civic office as the nominated candidate of the City of Willoughby.
