Dr Ljubov Simson - Your Independent Voice in the Nambucca Valley - Our Sustainable Future
As a mother, caretaker and educator I am committed to supporting sustainability and stewardship of all the resources within the Nambucca Valley - the health and well-being of the community, the land and its people. I will work in partnership with the whole community in supporting sustainable development, building resilience to climate change, prioritising health and well-being, encouraging buy- and make-local, and ensuring food and water security for the Nambucca Valley.
With over 35 years of work and lived experience in education and public service leadership and management, I have a proven track record in making big things happen.
