Manly local small business owner, who provides safety, accessibility, ergonomics, and engineering service both locally and internationally. I focuses on high-risk safety critical industries of transport and health care and improving accessibility and wellbeing of public systems.

understand the role council plays in creating an environment for success. Council can also impact growth and productivity through the barriers of red tape, delays and poor parking management. There is a tremendous opportunity to improve for the benefit of business and residents of Manly and the Northern Beaches. I wants to see Council take a greater role in creating healthy spaces, for physical and mental wellbeing, and for environment health.
