I have been an active member of the West Pymble community for 20 years, am a life member of West Pymble Football Club due to my years of volunteer service and leadership positions to promote community sport especially for women and girls. I believe in preserving our beautiful natural environment and habitats for our local wildlife whilst also allowing for growth in environmentally friendly public spaces for community sport and gatherings. I would like to see better infrastructure plans enacted to accommodate the planned higher density housing proposals in our ward.
