A Roadmap Back To Stability

Since the amalgamation of several councils, Smrc has not yet stabilised, nor achieved the goals we need it to. We need less division and more unity to get the results we need.

I stand for service, stability and solutions in 2024

The roadmap back to stability that I want to deliver is:

1. Stabilisation of reasonable rates for all residents
2. Delivery of all expected services, including road coverage security
3. Lobbying for more state funding to support the financial needs of our council
4. Building better solutions for all of us to come together to solve our problems, and not fall further apart

Support me, at this upcoming election, if you want more service, more stability and more solutions!
