Other information relating to my experience, ability and aptitude to hold civic office:

(may include statements of beliefs and policies - all information must be restricted to the space provided below).

Have worked in the financial services industry for 25 years mainly in banking, lending and insurance. Along with this I have a family farming business for the last 15 years that I have been an integral part of managing.

I have been a contributor to the local community during my 25 years here and have been on many committees assisting the community. I really want to help shape Berrigan shire into a place that our kids want to return to, with the industry and infrastructure to support all residents into the future.

We really have a wonderful place here, it has so much to offer at the doorstep and is a great place to live, work and play.
