Other information relating to my experience, ability and aptitude to hold civic office: (may include statements of beliefs and policies – all information must be restricted to the space provided below).

I believe I bring the mix of political experience, community passion, and administrative know-how to get Ku-Ring-Gal back on track.

As a former adviser to Liberal Members of Parliament on community and media matters, I understand the role that good government can play - just as much as the impact of bad government. There are parts of council that are not working, and I have received numerous examples of this in the last few months as I have doorknocked my fellow residents - I have doorknocked over 1,500 homes in our community.

My policies can be found on my website www.wahroonga.vote - they come down to the '6rs', roads, rates, rubbish, recreation, responsible development, and revitalisation. Please reach out if you have any questions
