(may include statements of beliefs and policies – all information must be restricted to the space provided below).

I've been fortunate and truly grateful to have lived in Ku-Ring-Gai for 20 years where I raised my son Julian, who is my running mate in this campaign. For the past 20 years, I've been the Ceo of a Leadership Development Consultancy, People for Success. From 2020-2023 I had the privilege of teaching leadership at Sydney Adventist Hospital. I've been an Executive in a public company where I studied a Master of Business by thesis in Leadership.

I believe in good governance, fiscal responsibility, community consultation, transparency, environmental protection, and most importantly - Great Leadership. I'M keen to protect community land from being acquired by single interest groups. If elected, I'D like to overhaul the consultation process.
