

Part two

Electoral district boundaries

Electoral district boundaries

New South Wales is divided into 93 State electoral districts. An electoral district is a geographically defined area. Each district elects one representative to the Legislative Assembly.

The electoral districts used at the 2019 NSW State election came into effect following the redistribution of electoral districts conducted in 2013.

More information on each electoral district can be found at:
elections.nsw.gov.au/Elections/How-voting-works/District-profiles
